2012 Summer Conservatory Sessions

Through the mounting of a full scale musical production, campers will study acting, singing, and dancing. They will also work on various theatre skills from improvisation to character study. Campers will participate in an audition master class to prepare for the show audition and beyond. This is a wonderful opportunity for students to acquire a solid foundation in theatre and build self confidence in a fun and safe environment with a staff who are professionals in both the field of teaching and performance.

A note about "Zombie Prom"...

Zombie Prom is a 1950's based campy, rollicking, romp through the "atomic age" of America and the "golden age" of sci-fi horror comic strips, all brought to life as a musical comedy.
AWESOME SCORE...GREAT BOOK!
