

# CLES MATH NIGHT

CLES PTA is excited to announce its first ever Family Math Night, to be hosted **in person at CLES!!** Don't forget to mark your calendars now. We hope you take some time to come. Math Night helps kids explore math at their own level through exciting games and activities!

**LOCATION:** CLES Cafeteria  
**DATE:** Thur. 12/7/23  
**TIME:** 6:30pm to 8:30pm

## HOW IT WORKS?

Math Night is designed to engage both students and their guardians. The students get the opportunity to learn and play fun math games at their own level. And the parents can then easily replicate with their students at home.

Each student attending the Math Night will receive a "passport" with 10 numbered stars. Once they've finished each activity (with family), the volunteer facilitating the activity will mark off the corresponding star on the passport. Once all 10 stars are marked on the passport, families will visit the Rewards table to trade their passport in for a goody bag and a chance to enter a giveaway drawing.

The event will be hosted with our partner Mathnasium of Ellicott City.
