

Take the **WASTE-FREE** Challenge!

Every single school day CLES kids fill 24 barrels with their cafeteria trash!

That's 768 gallons of trash every single school day!

What can you do?

Make Every Wednesday Waste-Free!

Every Wednesday pack a lunch that will produce as little waste (trash) as possible!

Instead of Using:

- A paper or plastic bag to hold your lunch
- A zip-lock to hold your chips or fruit
- Foil to wrap your sandwich
- A juice box or canned soda
- Plastic Utensils
- Paper napkins

Try:

- A reusable lunch container
- A reusable plastic container
- A reusable plastic container
- A reusable bottle
- Silverware (re-washable)
- Cloth napkin (re-washable)

At the end of every Wednesday, the team who made the LEAST TRASH will be announced and receive a prize!
